

Important notes

You must declare your major before registering for your sixth unit of course work. See the Registrar's office or the departmental administrative assistant for the required form.

Within your course work, you must complete a minimum of one unit of each of the following groups:

- A: Sciences and Mathematics
MATH 2208 & 2209 fulfill this requirement.
- B: Social Sciences (not including PSYC)
CANa, COMM, ECON, FSGN, POLS, SOAN, WOMS
- C: Humanities
ENGL/WRIT fulfill this requirement.

You may count up to four units of professional study towards your degree. Professional study subjects include:

- BUSI, CHYS*, INTE, NUTR (professional minor), PBRL, THMT

*Practica may not be counted for credit towards the degree (i.e. CHYS 2251, 3351, 3352, 4451)

You may take up to an additional 2.0 units of PSYC as general electives, if you wish.

Students may count a maximum of 4.0 units of directed/independent/research studies courses towards the degree, with no more than 2.0 units in any single discipline.

A minimum of 9.0 units of your degree must be at the 2000 level or above. Of the 9.0, at least 3.0 units of PSYC at the 3000 level or above are required (PSYC 3307 or 3360, PSYC 3330 or 3331 or 4405 or 4406, and at least 2.0 additional units).

Up to half of your major and overall credit requirements may be met via transfer credit (including Authorized External Courses). Courses with a "P" grade are GPA neutral.

Your GPA in both your major and minor must be ≥ 2.0 . Your overall GPA must be ≥ 1.70 . See the academic calendar for more information.

If your minor requires courses that are also required under the Psychology major, you will need to take an equivalent number of extra electives to ensure completion of 20 units of coursework. Minors affected by this rule include Applied Statistics, CHYS, ENGL, MATH, and WRIT.

You are strongly encouraged to seek out academic advising throughout your time at the Mount. However, you are ultimately responsible for meeting all degree requirements as listed in the academic calendar.
